

Mathew Stephenson, NFCA 2nd Vice President

Rolling Plains Construction

469-885-1645

Mathew Stephenson is Texas Division Director at Rolling Plains Construction, Dallas, TX.

Mathew's experience as a journeyman carpenter brings field knowledge to his roles in management at construction contracting companies. He has been a Project Manager/Estimator, Fireproofing Division Manager, Safety Manager in both fireproofing and general contracting. He has also been involved in commercial insulation, waterproofing, spray foam insulation and firestopping. His formal training includes OSHA500 as a Certified Training instructor, Red Cross CPR/AED Instructor, fork lift operator, and much more.

Mathew's 15+ year history in the Fireproofing industry brings a wealth of knowledge to the NFCA Board of Directors. He serves as a NFCA DRI for the company.
